3 the law firm Hulett Harper Stewart LLP. I have personal knowledge of the facts stated in this  
4 declaration and, if called as a witness, I could and would testify competently to them. I make this  
5 declaration in support of my firm's request for attorneys' fees and reimbursement of litigation  
6 expenses, as set forth in Plaintiffs' Application for Attorneys' Fees, Expenses and Incentive  
7 Awards.

8       2. My firm is counsel of record in this case, and represents Plaintiff Jeffrey Figone and  
9 the Indirect Purchaser Class. A brief description of my firm is attached as Exhibit 1 and  
10 incorporated herein by reference.

11      3. Throughout the course of this litigation, my firm kept files contemporaneously  
12 documenting all time spent, including tasks performed, and expenses incurred, and transmitted  
13 those reports on a regular basis to Lead Counsel. All of the time and expenses reported by my firm  
14 were incurred for the benefit of the Indirect Purchaser Plaintiffs ("IPPs").

15      4. During the course of this litigation, my firm has been involved in tasks and  
16 activities on behalf of the IPPs. We primarily assisted in all activities pertaining to preparation for  
17 trial in the matter. This included reviewing discovery and pre-trial materials sufficiently to  
18 thoroughly familiarize ourselves with the issues and proof in the case, as well as engaging in  
19 various pre-trial tasks including working on pre-trial motions, identification and designation of  
20 trial witnesses, exhibits and deposition testimony, preparing objections to Defense designations,  
21 consulting and coordinating with Lead Counsel and other Trial Counsel, and working on a variety  
22 of substantive and procedural pre-trial tasks and exercises. All of this work was assigned and/or  
23 approved by Lead Counsel.

24      5. The schedule attached as Exhibit 2, and incorporated herein, is a detailed summary  
25 of the amount of time spent by my firm's partners, attorneys and professional support staff who

27 or otherwise pertaining to the Joint Fee Petition. The lodestar calculation is based on my firm's

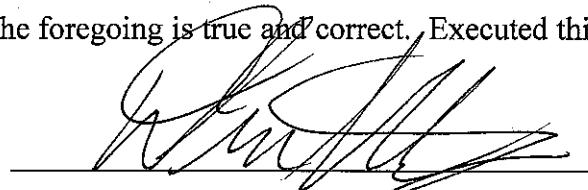

1 historical billing rates in effect at the time services were performed. Exhibit 2 was prepared from  
2 contemporaneous time records regularly prepared and maintained by my firm. Those records have  
3 been provided to Lead Counsel and I authorize them to be submitted for inspection by the Court if  
4 necessary. The hourly rates for my firm's partners, attorneys and professional support staff  
5 included in Exhibit 2 were at the time the work was performed the usual and customary hourly  
6 rates charged for their services in similar complex litigation.

7       6. The total number of hours reasonably expended on this litigation by my firm from  
8 inception to May 31, 2015 is 1142.05 hours. The total lodestar for my firm at historical and  
9 current rates is \$635,171.75. Expense items are billed separately and are not duplicated in my  
10 firm's lodestar.

11       7. The expenses my firm incurred in litigating this action are reflected in the books  
12 and records of my firm. These books and records are prepared from expense vouchers, invoices,  
13 receipts, check records and other source materials and accurately reflect the expenses incurred.  
14 My firm's expense records are available for inspection by the Court if necessary.

15       8. My firm incurred a total of \$12,566.35 in unreimbursed expenses, all of which were  
16 reasonable and necessary for the prosecution of this litigation. Of this amount, \$12,566.35 was for  
17 non-common litigation expenses incurred by my firm, such as travel, meals and lodging, copying,  
18 legal research, telephone, etc. A summary of those expenses by category is attached as Exhibit 3.

19       I declare under penalty of perjury that the foregoing is true and correct. Executed this 25th

## **FIRM RESUME**

Hulett Harper Stewart LLP was established in July 2000 to provide quality representation to individual and corporate clients in the areas of complex business, securities, antitrust, consumer, and class litigation and arbitration. Our three partners bring to the firm more than 80 years of experience as counsel in numerous large, high-visibility cases.

The partners at Hulett Harper Stewart LLP have considerable experience acting as lead trial and principal counsel in numerous antitrust, securities and consumer class and individual actions. Hulett Harper Stewart has obtained a number of multi-million dollar verdicts and settlements for its individual and class clients, including a \$127.5 million settlement with Edward Jones & Co. involving an alleged unlawful “revenue sharing” program; a \$60 million settlement of a class action against A.G. Edwards for breach of fiduciary duty claims; a \$336 million settlement with Visa, MasterCard and major credit card issuing banks relating to foreign currency conversion practices; a \$30 million settlement in *Stenovich v. Eccles*, a breach of fiduciary duty class action challenging the fairness of a bank acquisition; an \$11 million settlement after trial commenced in an action by a bankruptcy trustee against a debtor’s former outside auditors; a full recovery for an elderly individual who lost over \$40 million as part of what was then Wall Street’s largest single-broker fraud in history; and a \$22.5 million settlement for individual clients from WorldCom and the officers and directors of a WorldCom controlled company. The firm also played substantial roles in the successful prosecution of securities fraud class actions against Broadcom, Inc., which was settled for \$150 million on the eve of trial, and against Quest Software, which was settled for \$29.4 million.

The key strengths of our firm include:

**Attorney Experience** – Our partners have decades of collective practice in significant complex litigation, arbitration, and class action representation, and have been recognized for diligence, energy, skill, and imagination.

**Case Success** – As lead or co-lead counsel, we have both litigated cases to verdict and secured or participated in securing hundred of millions of dollars in class action and other settlements in both the courts and in arbitration.

**Client Focus** – Actions we have brought have benefited businesses, classes of consumers, investors, and employees – and addressed financial fraud and anticompetitive market practices.

**Practice Depth** – Our litigation practice combines a solid understanding of antitrust law, consumer and investor protection, and corporate governance.

Our mission is to provide high quality legal services and personal attention to our clients in a select number of cases. We place our clients' interests first and employ legal strategies designed to achieve for them the most favorable outcome possible.
